

「未来社会協創」国際卓越大学院 Co-designing Future Society

2025年度秋履修生募集 2025 Autumn Application

養成する人材像 Human resources this program cultivates

本プログラムでは、SDGsを実現する未来社会の創生に向け、特定分野の専門性を有し、社会実装、先進的な要素技術の開発、基盤研究の深耕を担う人材育成を目指します。また、産業界や自治体、国際機関などの様々な専門家や実行主体を繋ぐ能力を涵養します。

In order to create a future society that realizes the SDGs, this program aims to contribute to the creation of future industries and enterprises through the practice of innovation. The program will train talents who not only have expertise in specific fields, but can also engage in social implementation, develop advanced component technologies, and deepen basic research. In addition, they can acquire ability to network with various experts and implementers from industries, communities and international organizations.

カリキュラム概要 Curriculum outline
